

**Legion Magazine** publishes this removable **Last Post Section** twice a year, in spring and fall. This free service recognizes those who have served their country and allows our readers to learn of the passing of comrades with whom they served.

Last Post is reserved for these groups: 1) ordinary members of The Royal Canadian Legion at time of death; 2) RCL life members who were previously ordinary members; and 3) Canadian war veterans (WW II, Korean War, Gulf War) who were not RCL members at time of death.

Legion Magazine must rely on RCL branches to provide the Last Post information. Please use the current Last Post form dated August 2006, which is available from the Dominion Command Supply Department.

Branches should submit notices to Legion Magazine promptly to ensure timely publication. *We only publish in the print magazine those notices received at our Ottawa*

*office within one year of the person's death. We do not publish notices that lack a date of death.*

When published in print, the latest entries are also added to the searchable Last Post database on the website [www.legionmagazine.com](http://www.legionmagazine.com). Late notices will only be entered in the website database, where they will have historical value.

If you wish to save this section, go to its centre, carefully open the two staples, remove the section and then close the staples.
