

# LAST POST

*Legion Magazine* publishes the Last Post annually during the Remembrance Day period. This free service recognizes those who have served their country and allows our readers to learn of the passing of comrades with whom they served.

Last Post is reserved for these groups:

1) ordinary members of The Royal Canadian Legion at the time of death; 2) RCL life members who were previously ordinary members; and 3) Canadian war veterans (WW II, Korean War, Gulf War, Afghanistan) who were not Legion members at the time of death.

*Legion Magazine* relies on RCL branches to provide the Last Post information. Please use the current Last Post form, dated June 2019, which is available from the Dominion Command Supply Department.

Branches should submit notices to *Legion Magazine*

promptly to ensure timely publication. As long as the date of death is within the time period of entries on the website (1982 to present), the notice will be added to the database and appear in the printed edition. Notices within a year of the date of death can be submitted by family members, but entries before that time period must come from a Royal Canadian Legion branch.

These entries are added to the searchable Last Post database at [www.legionmagazine.com](http://www.legionmagazine.com).
